Nunan Business Services Pty Ltd

Version: 2.0

Date prepared: Wednesday, 4 January 2017

AMP Advice is a trademark of AMP Limited and it is licensed to Nunan Business Services Pty Ltd

It is important that you read this Financial Services and Credit Guide (FSCG). It contains information that will help you decide whether to use any of the financial services offered by us, as described in this guide, including:

- who we are and how we can be contacted
- the advice and services we provide
- information about our licensee AMP Financial Planning Limited (AMPFP)
- our fees and how we, your adviser and AMPFP, are paid in connection with those services
- how we manage your private information
- how you can complain about a matter relating to us or AMPFP

Documents you may receive

We will provide you with a number of documents as you progress through our financial planning process to capture each stage of your advice journey. We may provide these documents to you electronically to your nominated email address, unless otherwise agreed.

As part of the process of understanding your needs, we may provide you with summary documents outlining your goals and priorities. These are not advice documents and should not be relied upon to make financial decisions.

When we provide personal advice it will normally be documented and provided to you in a Statement of Advice (SoA), known as a 'Goals Plan'. The financial plan contains a summary of your goals and the strategies and any financial products we may recommend to achieve your goals. It also provides you with detailed information about product costs and the fees and other benefits we and others will receive, as a result of the advice we have provided.

If we provide further personal advice a financial plan may not be required. We will keep a record of any further personal advice we provide you for seven years. You may request a copy of such records by contacting our office during that period.

When we provide credit advice we will conduct a preliminary assessment to determine the suitability of a particular product. This is normally documented and provided to you in an SoA, a record of debt advice or a Credit Proposal. We will retain a record of the debt advice which you may request by contacting our office within seven years of the assessment.

If we recommend or arrange a financial product for you we will provide a product disclosure statement (PDS) or investor directed portfolio service (IDPS) guide where relevant. These documents contain the key features of the recommended product, such as its benefits and risks as well as the costs you will pay the product provider to professionally manage that product.

You should read any warnings contained in your advice document, the PDS or IDPS guide carefully before making any decision relating to a financial strategy or product.

About the AMP Advice™ experience

AMP's passion is to help Australians achieve their goals.

By creating realistic and solid plans to sit behind the goals, AMP aims to help more Australians live a better tomorrow.

Every goal is considered important and when combined with the expertise of AMP's advice team, clients are putting themselves in a better position to reach their goals. Not only because they are in control every step of the way, but also because they will benefit from the advice that comes with balancing a plan for the future with the financial needs of now.

What to expect

Explore your goals

Your AMP Advice experience starts by exploring your goals and how you picture them coming to life using our innovative technology. It includes a Goals Coach who will help you understand and express your goals. You'll receive a Goals Summary document at the end of this conversation.

The next step will be to meet with one of our qualified advisers to help you visualise and understand the choices you need to make to reach these goals - keeping you in charge of how you balance your goals of tomorrow against the financial needs of today. After this consultation you will receive a Goals Exploration Summary document.

You'll also have access to your online customer profile where you'll see information relevant to you and your goals.

Plan to achieve your goals

If you choose to proceed, a qualified financial adviser can then work with you to build a plan to help you make your goals a reality. Our approach is not one-size fits all, and the summary of your goals will likely be the starting point for developing a strategy, and recommending products and services that are likely to leave you in a better position. This strategy is contained in a document called a Statement of Advice (SoA), known as a Goals Plan, and is our advice for you to achieve your goals.

Track your progress

To achieve your goals we will offer to track your progress by helping you stay motivated and accountable. How we can help you will depend on your needs and preferences, and we can discuss this with you further once your plan is finalised.

Stay in control

We have a process that puts you in control throughout the experience. We will only proceed when we have your go-ahead and you will always have access to your information, goals and objectives through your online customer profile.

Our fixed and transparent fees are based on the advice and services that you select, always leaving you in control.

We will not consider any other tax matters in our advice to you. Where tax implications are discussed they are incidental to our recommendations and only included as an illustration to help you decide whether to implement our advice.

If you do not require advice, we can also arrange for you to apply for limited types of financial products where we can take your instructions and arrange for the transaction to be completed, without providing personal advice. If you wish to proceed without our advice, we will ask you to confirm your instructions, which we will document in writing. You can ask us for a copy of this documentation at any time.

If at any time you wish to terminate your relationship with us, please contact us using the details shown in this guide.

Providing information to us

It is important that we understand your circumstances and goals, so that we can provide you with appropriate advice and services. You have the right not to provide us with any personal information. Should you choose to withhold information, or if information you provide is inaccurate the advice or services we provide you may not be appropriate for you.

It is also important that you keep us up to date by informing us of any changes to your circumstances so we are able to determine if our advice continues to be appropriate.

Our fees

The fees charged for our advice and services are generally set dollar amounts. If our advice recommends you maintain an existing percentage based fee arrangement, we will fully disclose this to you, including the reasons why.

Our agreed advice and service fees may include charges for:

- Initial advice; and
- Ongoing advice.

Please note that for services in relation to insurance, banking deposit products, some loan products and older investment products, commissions may be paid by the product provider as follows:

- Initial commission - a percentage of the value of your investment contributions, loan balance or insurance premiums; and
- Ongoing commission - a percentage of the value of your investment balance, outstanding loan amount or premiums, usually calculated at the end of each month in which you hold the investment or loan, or on renewal of insurance products.

Payment methods

We offer you the following payment options for payment of our advice fees:

- BPAY, direct debit (savings), credit card or cheque; and
- Deduction from your investment.

All fees and commissions will be paid directly to AMPFP as the licensee on our behalf. They retain a percentage (as a licensee fee) to cover their costs and the balance is passed on to us. The percentage is determined annually, based on a number of factors, including our business revenue for the prior year.

Fixed service fees

We offer a Goals exploration service at the fixed fee as outlined below:

Service	Fee
Goals exploration	$350

The Goals exploration involves an initial consultation with a coach and then a session with an adviser to further explore and prioritise your goals and objectives. At this point you will receive summary documents outlining your goals, objectives and priorities. This fee is inclusive of GST.

Other costs

Where other costs are incurred in the process of providing our advice and services to you, you will be liable for these costs. However, we will agree all additional costs with you prior to incurring them.

Other benefits we may receive

The following is a list of benefits we may receive other than those explained above. These are not additional costs to you. These benefits may be monetary or things like training, events or incentives we are eligible for.

In addition to the payments we may receive for our advice and services, we may receive other support services. These can include financial and training assistance, prizes and awards or events in recognition of financial planning excellence and innovation, and business performance.

We may also participate in business lunches or receive corporate promotional merchandise tickets to sporting or cultural events and other similar items.

Development, management and advice recognition

We may be eligible for Development management and advice (DMA) recognition payments based on our performance relative to other AMP Financial Planning practices in the previous year. Up to 30% of all AMP Financial Planning practices may be eligible for DMA payments.

The DMA payment is based on a percentage of our practice revenue. Our DMA percentage will be set annually and may range from 0% to 10% depending on our ranking. The percentage is then applied to our practice revenue and the resulting payments are received twice a month.

For example, if our DMA is set at 3% and our revenue for the payment period was $8,500, we would receive $8,500 x 0.03 = $255. Assuming an average revenue of $8,500 per payment period, the total DMA payment received in a year would be $255 x 24 = $6,120.

How our performance is ranked

Ranking of practices is determined yearly by a points system which is a broad measure of the growth and professionalism of our practice as compared to other practices in the AMP Financial Planning network. The points system is based on a combination of factors within a balanced scorecard such as the quality of our services, compliance, our business goals and our engagement with our clients through a measure called Advice Growth Index (AGI). AGI measures the value of our fee for service revenue and our clients' product holdings over the previous year.

Business growth advice payments

All practices are eligible for Business Growth Advice (BGA) payments. The payments are based on our practice revenue.

BGA payments are set at 1% of our practice revenue. Payments are received twice each month. For example, if our practice revenue was $8,500 in a payment period, we would receive $8,500 x 0.01 = $85. Assuming an average revenue of $8,500 per payment period, the total BGA payment received in a year would be $85 x 24 = $2,040.

Business buy-back option

If we leave the financial services industry or can no longer appropriately service a selection of our clients, and cannot find a buyer, AMP Financial Planning will either look after our clients or appoint one of its authorised representatives to do so.

If this happens, AMP Financial Planning may buy back our business. The amount will vary depending on a number of factors including, our reason for leaving the financial services industry, the time our business has been established, the annual recurring revenue (both actual and any deemed revenue) of our practice and the quality of our previous advice.

Annual advice conference

The advice conference is an annual event which offers advisers the opportunity for professional development and to hear updates on AMP's thinking about the future of advice. AMPFP subsidises the costs of the advisers attending. The value will depend upon a range of factors, including the nature of the courses and events planned.

Educational support

AMP Financial Planning rewards individuals with educational support if they meet certain qualifying criteria. The qualifying criteria may vary, and is normally based on the standard of our financial planning services and our business performance.

Para-planning costs subsidy

We may receive an administrative support from AMP Financial Planning Pty Limited, in terms of para-planning costs subsidy, depending on the number of Statements of Advice that we prepare per month. These para-planning costs are otherwise payable by us to AMP Financial Planning Pty Limited.

Recognition model

We may receive non-financial benefits (such as an invitation to a premium leadership development event) from AMP Financial Planning Pty Limited, if we meet certain eligibility criteria, including number of clients who went through the goals experience process and number of Statements of Advice prepared in a way agreed with AMP Financial Planning Pty Limited.

Placement fees

From time to time AMP Financial Planning will receive fees from brokers or product issuers (including AMP group companies) for arranging client participation in Initial Public Offerings (IPOs) of securities (such as shares and rights issues). The fee, which is generally a percentage of the fee paid to the broker, varies from offer to offer and by the level of participation by AMP Financial Planning. We may share in this fee based on the level of participation by our clients.

Relationships and associations

It is important that you are aware of the relationships that AMPFP has with providers of financial services and products as they could be seen to influence the advice you receive.
